REGISTRATION INFORMATION

- **NEW THIS YEAR:** You can submit your registration form without payment and we will invoice you. Early bird registration applies to when we receive the form; not when we receive your payment.
- The fees listed on this form apply to **community college students traveling with their mentors**. If you need the form/fees for full time faculty/administrators, part time faculty/administrators, or graduate students, please contact Dr. Steven L. Berg at sberg@schoolcraft.edu or go to <http://www.landconference.com/registration.html> .
- If your college is paying part of the fees and you are responsible for the rest, it would be helpful if you would send us two separate copies of the back of this form; one including the fees for which your college is covering and the other listing the events for which you are paying.
- We are asking you to confirm your attendance for the free events so that we do not have to pay for uneaten food.
